tentative sanction & the scale of fees to be levied on sevas conducted in the temple. Tho' the rates proposed are small as compared with those prevailing in other & temples of importance viz temples at Nanjangud, Melkote, Seringapatam, Chamarajnagar, Yadatore, T. Narasipur, & Mysore, it is a question for order why a Gokula may not be placed in lieu of a rate of fees. The prescription of a rate for sevas ~~is calculated~~ seems to be not quite so popular as to open a Gokula which may fetch larger Kanikes being voluntary offerings of devotees.

Sir,

With reference to your docket no: 1581 dated 11-4-1913 enquiring why a golaka may not be placed in the Sri Ramaswamy temple at Chunchinkatte etc, I have the honor to state that the Amildar reports that a golaka has been placed but that except on the occasion of Rathotsavam and Sravana Saturdays there

there are no persons coming to Chinchinkatte and that the proposed levy of fees for sevas is quite different in nature and is in addition to the golaka.

In neither of these cases will there be any Compulsion. Persons going to pay homage to the god may or may not have any seva done in their name but when any seva is to be done the prescribed fee will be received.

The file of papers on the subject ending with temporary division officer's No. 1116 of 6th 10th May 1911 is herewith submitted

for reference.
